Zhang vs. Alex. alex is clearly disadvantaged

Alex is defeated

she kneeled down and closed her eyes

li cheng she flashed back to her memories at the temple
wounds heal by replacing cells, breathing the right way makes the blood flow
more and cells repair faster
after a few minutes she felt better

Xiao attack him

Even Ce shows up, despite her condition

It takes a team effort to defeat him. finally he's defeated.

he transforms into an ogre

he becomes a blue ogre

many identities pakchu, furin yi, liu zhang, but this is his true self

they combine their strengths - fire sword ice sword and thunder sword and beat him

alex strikes the sacred bead

zhang is surprised

they slay zhang

li is injured and needs to rest

xiao shows up

celina shows up to help

xiao beats him with the thunder wave

zhang becomes a lizard creature - specialty is hard scales

it roars, sounds like godzilla

zhang becomes a dragon

then flies to the roof, tearing a hole in the building

it flies outside, everyone can see it

celina says it would be interesting to use dance of the dragon on a dragon

alex gives her the chance

the dragon breathes fire, alex neutralizes it with the heat wave

celina uses dance of the dragon, slashing it and breaking it's scales

the dragon screams, it slaps celina away

sees weakness - one of his scales is gone, revealing flesh

xiao's thunder shocks him, disabling him for a few moments

li stabs his weakness, gets knocked away

li tells him to use the fire dragon, alex says he can't

li uses ice to neutralize the dragon's fire breath, then she falls

xiao says it has to be alex who kills liu zhang

she will give him the chance

xiao uses thunder to strike it, paralyzing it

alex uses the fire dragon, turning it into ashes

as he dies, liu zhang flashes back to his life

he was burnt in a fire, he saved a kid's save

after that his skin was burnt, he cannot hold a sword anymore
